* How to describe a rainforest animal

The rainforest is the home for lots of the animals around the world such as the spider monkey. They are large in size. They have a powerful tail that they use it to hang on trees. They like to hang upside-down with all four limbs and the tail which makes them look like a spider.

They also have the ability to swing from branch to branch at a high speed. Their fur color can be black, brown, golden, red or tan. Spider monkeys spend most of their time high up in the canopy where they can find fruits and seeds to eat. They also eat plants. They are endangered because people hunt them.

* giving advice how to keep a pet Grade 6

People like to keep animals as pets. There are some tips to learn how to keep a pet. Firstly, you should feed your pet everyday. Secondly, you need to put clean water for your pet regularly, you should clean its place at least once a week. Don't forget that the pets need time to practise to be healthy. Finally, animals can express their pain, so you must take your pet to the vet whenever it gets sick.

* Free time activities

When I have free time, I like to use the internet because it is really useful and full of interesting information. Sometimes, I go out with my friends to the park and play football. If the weather is hot and sunny we go to beach and swim for two hours. If I don't want to go outside, I just stay at home and read English novels and stories. Every weekend, I watch a movie or an English program on TV for an hour.

1- Write about a discovery in your town :اكتب عن اكتشاف في مدينتك

Yesterday , we discovered many old things in our town. They were plates and coins that people used 2000 years ago. We found them in a deep well in the town. People used the plates to eat their food and they used the coins to buy things. We were very happy when we discovered these objects.

2- Write about what the weather is like today:اكتب عن حالة الطقس اليوم

Today the weather was sunny and a little cloudy in the morning and the temperature was 25 degrees. In the afternoon , it became extremely windy and cold. In the evening there was a thunderstorm and there was heavy rain so we stayed at home.
