teeny-weeny = tiny

Lesson 7

Ahmad

Rashid

taller

shorter

Language detective

When we compare two things, we add *-er* to the adjective. If the adjective ends in *y*, we add *-ier*.

A car **is bigger** than a bike.

The lion **is hungrier** than the cat.

www.almanahj.com

Language detective

When we compare one thing with lots of other things, we use **the** ____ **est**.

If the adjective ends in **y** then we use **the** ____ **iest**.

For longer words, we use **the most** _____ .

The ghaf tree is **the tallest** tree in the desert.

He is **the funniest** person I know.

I think the oryx is **the most beautiful** animal in the desert.

lighter

lightest

heavy

The monkey is **heavier than** the cat.

The elephant is **the heaviest**.

1

big

2

Bigger than

3

The biggest

Number three is the biggest

heavy

Heavier than

The heaviest

When we want to compare between three things we use 'THE +ADJ +EST'

fewer

fewest

3 is fewer than 4.

2 is the fewest.

Use of English

Comparing two or more things with **more**, **most**, **less** and **few**.

Joud has 20 balls.

Elham has 10 balls.

Salma has 30 balls.

www.almanahj.com

More and the most

Use **more** if you are comparing two things or people:

Joud has **more** balls than Elham.

Use **the most** if you are comparing more than two things or people.

Salma has **the most** balls.

Less and Fewer

Use **few** to compare things you can count, for example balls.

Use **less** to compare things you can't count, for example juice.

Comparing two:

Joud has **fewer** balls than Salma.

Elham has **less** juice than Salma.

Comparing more than two:

Elham has **the fewest** balls.

Joud has **the least** juice.
