A hut has fewer windows than a villa. More people live in a bungalow than in a hut. A bungalow has a beautiful garden. A bungalow has larger windows. A hut is made of mud and wood, but a bungalow is made of stone, wood and glass. I prefer to live in a bungalow.

4. Write a paragraph of about 70-90 words *describing a landmark in your city/ town*.

A model paragraph:

I live in Sharjah. It's a big city with many famous places. My favourite landmark in Sharjah is Lake Khaled. Lake Khaled is very big. It goes ~~along~~ the city. 8. Write a paragraph of about 70-90 words about **recycling**.

Recycling is when we use old objects that we don't need any more and make new useful things to use. We should recycle to keep our city clean. All we need to do is to put the rubbish in the right recycling bin or we can make something new from it that we can use.

Last week, I recycled a plastic bottle. I cut it from the middle. I took the lower half, drew nice things on it and used it as a pencil holder. I was so happy that I recycled something and made a useful object to use. We should all recycle.

For dinner, I don't eat much. I eat some fruit and drink a glass of milk. I like healthy food.

10. Write a paragraph of about 70-90 words about **a journey you made**.

Last holiday, I went to Abu Dhabi with my family. We went by car. It was a long drive and I felt so bored. When we arrived there, it was so hot so we went to a mall to rest and have lunch. Then, we went to a hotel by the beach. It was an amazing view. We took a nap. When we woke up, we walked on the beach, played nice games and took a lot of photos. Next morning I woke up early and went swimming with my father. We stayed in Abu Dhabi for three days. We had a wonderful time. I was so happy.

11. Write a paragraph of about 70-90 words about **an adventure trip**.

Last year, I went on a camping trip with my friends in the desert. The first day was so interesting and we were so excited and happy. On the next day, a policeman came and told us that there was a sandstorm coming. He advised us to find a shelter. He told me to put a mask on my mouth and nose. I wore goggles to protect my eyes. Suddenly, the wind was so fast and there were so much dust and sand in it. We sat inside our car and waited the storm to pass. When it passed, we got out of the car and decided to continue our trip. Two days later we went home. It was a nice trip but also a little scary.

Best of Luck ☺
